We had a great experience at the Lodge for our wedding! The team was fantastic from beginning to end. The space is beyond beautiful, it is definitely a hidden gem in the city! We also loved their worry-free package, it was exactly what we needed. - Juliette Capdevielle

I had my wedding here recently, and I cannot recommend it enough. They had no hidden fees and literally the best staff ever. On the actual day of the event, I swear they were angels. They pay attention to every little detail. Their worry free weddings are literally worry-free. You won't find a better place. - Aramish A.
